Built for better placements

- ✓ **Get from requirement to outreach faster.** Generate job descriptions and emails with AI, and use bots to source, screen, and engage.
- ✓ **Source talent from more places.** Reach candidates through job boards, referrals, vendors, and more.
- ✓ **Turn resumes into client-ready profiles.** Format resumes to match your agency's branding before sending them to clients.
- ✓ **Keep good candidates from going cold.** Engage candidates through WhatsApp, MS Teams, Google Meet, and more.
- ✓ **Screen for fit before you shortlist.** Auto-trigger assessments to evaluate candidates and surface stronger matches.
- ✓ **Make interviews easier to evaluate.** Conduct video interviews and keep candidate ratings and feedback visible to your team.
- ✓ **Automate work recruiters shouldn't repeat.** Use blueprints and custom functions to handle routine tasks with human oversight.
- ✓ **Keep hiring moving with less admin.** Connect workflows and tools so recruiters can focus on candidates and clients.

Earlier, the time-to-hire was 30-35 days. Last week, we closed a CFO-level mandate in just 3 days.
